

COVID-19 PANDEMIC Update re: Staff Masking – April 9, 2020

In accordance with direction from Ontario's Chief Medical Officer of Health, effective immediately all employees and essential visitors will wear face masks at all times when at Palisade Gardens and James Club.

During breaks, staff may remove their masks but are required to remain two meters away from other staff to prevent staff to staff transmission of COVID-19.

Please note that essential visitors will be provided with a mask if they don't already have one.
